Grace Hebert Curtis Architects

General Contractor

Rogers-O'Brien

Rogers-O'Brien and Grace Hebert Curtis Architects teamed up with MAREK to complete a 78,000 square foot state-of-the-art acute care hospital, serving the Northeast Dallas County community. MAREK was responsible for interior services including drywall, metal framing, acoustical ceilings and window treatments.

The hospital includes four operating rooms, 32 inpatient beds, a diagnostic lab, imaging suite and a pharmacy across two stories.
