MAREK is proud to stand as a pinnacle of quality, integrity and excellence within the construction industry. We are grateful for the following recognitions of service from our peers.

MAREK

ASA Excellence in Ethics Award 2012

The Excellence in Ethics award is a very distinctive national award that the American Subcontractors Association (ASA) gives to subcontractors from around the country for instilling high standards of integrity within their firm. Marek Brothers Systems was one of only seven companies throughout the country to receive an Excellence in Ethics Award during the ASA's annual meeting in San Antonio on March 2nd.
