

## MAREK ANNOUNCES SENIOR LEADERSHIP TEAM FOR HOUSTON COMMERCIAL DIVISION

L-R – Saied Alavi, George Kissamis, Phil Nevlud, Jorge Rodriguez

MAREK

announces the promotion of four leaders to Managing Directors of its Houston commercial construction business. Saied Alavi, George Kissamis, Phil Nevlud and Jorge Rodriguez will serve as the senior management team leading sales and operations for core and tenant drywall, acoustical ceilings, paint, specialty finishes, flooring, fabric panels, shades, bundled projects and special remodel projects.

This team of experienced leaders, with company tenure ranging from 20 to 35 years, has led MAREK's work on some of Houston's most significant projects including multiple projects in the Texas Medical Center for Texas Children's Hospital and MD Anderson, ExxonMobil's Woodlands campus, the Hobby Center and many of the city's corporate interior build-outs.

"Saied, George, Phil and Jorge bring vast leadership experience and a vision for MAREK's future. This team will lead by focusing on MAREK's critical objectives around People performance, Project performance and Client performance," says Mike Holland, MAREK's Chief Operating Officer.

MAREK is a 79-year-old private, family owned, specialty interior contractor providing both commercial and residential services to major office, healthcare, retail, sports and entertainment, arts, education and institutional clients. Headquartered in Houston, MAREK has additional operations in Atlanta, Austin, Dallas-Ft. Worth, Harlingen, Nashville and San Antonio.
