

VALLEY BAPTIST MICRO HOSPITAL

PROJECT OVERVIEW

Market Location: Harlingen

Project Location: Weslaco

Project Sector: Healthcare

Services: Metal Framing & Gypsum Assemblies
Ceilings & Acoustical Solutions

Architect: E4H Architecture

General Contractor: Adolfson & Peterson Construction

Valley Baptist Micro Hospital is a single-story EIFS/stone exterior building and will total 40,480 square feet. It is the first of its kind in the Rio Grande Valley and Valley Baptist's first healthcare access point available in Hidalgo County.

The Micro Hospital includes an emergency department, inpatient unit, laboratory, pharmacy, and will have imaging and respiratory services. With a full-service emergency department, the Valley Baptist Micro Hospital will house twelve beds and two trauma beds, as well as eight inpatient beds.

The Project Manager on this project was Arthur Holmes, and the Foreman was Luis DeLaPaz.
