ACE MENTOR PROGRAM
ARCHITECTURE • CONSTRUCTION • ENGINEERING

The ACE (Architecture, Construction, and Engineering) Mentor program will be holding its 2nd Annual Fundraiser: *Build It Forward* this Saturday from 9am-1pm. The event will be taking place at the Marek Brothers Houston office. The ACE Mentor Program mentors and exposes high school students to real-world opportunities in architecture, construction, and engineering. At Saturday's event, teams of high school students involved in the ACE program and their mentors will come together to build picnic tables that will be delivered to local charitable organizations.
