# FIRST BAPTIST CHURCH OF WOODSTOCK

## PROJECT OVERVIEW

**Marek Location:** Atlanta

**Project Location:** Woodstock, GA

**Project Sector:** Religious

**Services:** Metal Framing & Gypsum Assemblies  
Ceilings & Acoustical Solutions

**Architect:** Niles Bolton Associates

**General Contractor:** Brasfield & Gorrie

By integrating classical architecture and modern modalities, The First Baptist church of Woodstock demonstrates Marek's commitment to diversity and detail. Filled with acoustical ceilings and a spacious auditorium, this work of art is exemplified by its aesthetic beauty that is seamlessly juxtaposed with its utilitarian functions.
