
FIRST BAPTIST CHURCH OF WOODSTOCK

PROJECT OVERVIEW

Marek Location: Atlanta

Project Location: Woodstock, GA

Project Sector: Religious

Services: Metal Framing & Gypsum Assemblies
Ceilings & Acoustical Solutions

Architect: Niles Bolton Associates

General Contractor: Brasfield & Gorrie

By integrating classical architecture and modern modalities, The First Baptist church of Woodstock demonstrates Marek's commitment to diversity and detail. Filled with acoustical ceilings and a spacious auditorium, this work of art is exemplified by its aesthetic beauty that is seamlessly juxtaposed with its utilitarian functions.
