## METHODIST HOSPITAL – THE WOODLANDS

### PROJECT OVERVIEW

**Market Location:** Houston

**Project Location:** The Woodlands

**Project Sector:** Healthcare

**Services:** Metal Framing & Gypsum Assemblies

**Architect:** Page Architects

**General Contractor:** Vaughn Construction

Houston Methodist Hospital is set to build a new 193-bed hospital in The Woodlands. Groundbreaking for the 470,000 square foot Woodlands hospital is to be completed in 2017. The project will include a 135,000 square foot medical building to open late next year. Houston Methodist's eighth hospital will be modeled after Houston Methodist West Hospital near Katy.
